Brilliant®
Solid Surfacing Materials
彩寶石® 實體面材

Acrylic Modified
Since 1993

產品簡介

THE INTRODUCTION OF BRILLIANT®

Brilliant® Solid Surface has been in existence for over 17 years. In these years, the solid surface industry has evolved and so has Brilliant®. The quality of the product remains to be one of the best in the industry and forever will be for many years to come. Each year, the Brilliant® story gets to rewrite itself in providing new and vibrant colours and breaking into different product segments. This goes to show how versatile Brilliant® is and the endless possibility that it offers. Contribute a chapter to Brilliant® history because it will definitely make a mark in your life.

NATURAL COLOURS. SHARE IT FOREVER

自然色彩，無窮享受。

The countless choices guarantees satisfaction and beauty

with over 100 colours, the combinations, designs, and possibilities are endless.

衆多的選擇和美觀的樣式，可以保證顧客的滿意度，我們有100餘種顏色，可以隨意搭配、設計，無限的可能將超越您的想象。

ISO 9001
